1.Launching application

After starting the application
the user selects the language of the application.
Presses the "Next" button

2. Login to your account

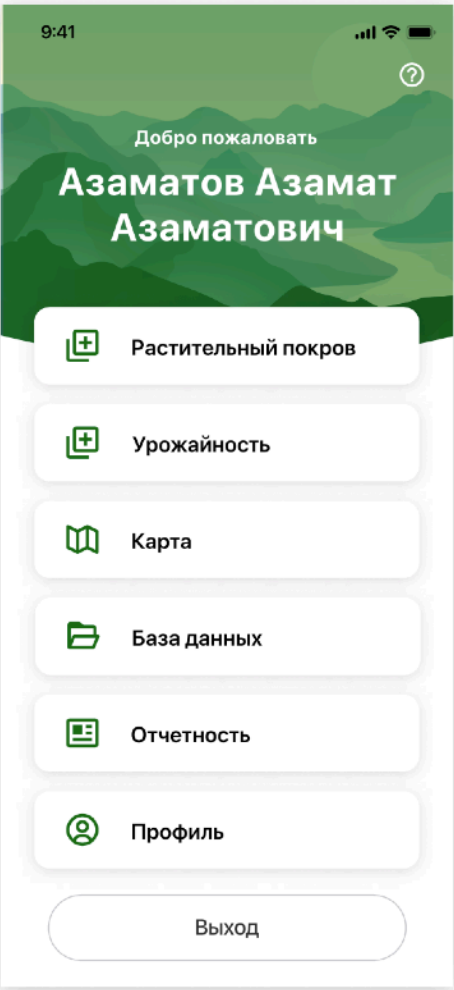

The image shows a mobile application interface for logging into an account. At the top, the status bar displays the time 9:41, signal strength, Wi-Fi, and battery icons. Below the status bar, there is a blue back arrow and the text "Назад" (Back), followed by the title "Вход в систему" (Login to system). The main content area has a blue link "Введите телефон" (Enter phone) above a text input field containing the phone number "01276487931878". Below the input field, the name "Азаматов Азамат" (Azamatov Azamat) is displayed. A large green button with the text "Далее" (Next) is positioned below the name. At the bottom of the screen is a numeric keypad with digits 1-9, 0, a backspace arrow, and a microphone icon. The keypad is styled with a light gray background and white text.

User enters their phone number

Presses the "Next" button

The user enters a PIN that comes in an SMS message to the specified phone number
Presses the "Next" button
